

# Product Obsolescence Notification

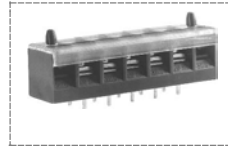

## # PON-G2018-2-06

June 26, 2018

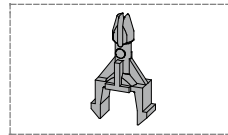

### 1 Types affected

Cover Cap  
Series 980-A  
Series 982-A  
Series 983-A

Mounting pins  
BEF-980  
BEF-983

### 2 Planned implementation date

Immediately

### 3 Reason

Following a Production Rationalization Review, it has been decided to discontinue the above-mentioned products due to the lack of sales and decrease in demand for the caps. Hence, we hereby announce the obsoleting of these products. They will be taken out of our sales program at the end of the product life cycle (see point 7).

This also affects the mounting pins for caps, as well as all items in which caps and mounting pins are installed. Please see the complete list at point 4.
