

PRODUCT OBSOLESCENCE NOTIFICATION

PON-WD2014-02-1

To our customers

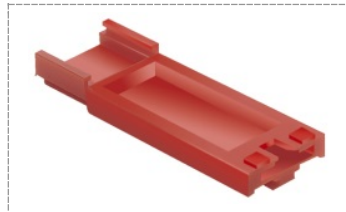

Dear Madam, dear Sir .

We would like to inform you that the following WECO products will no longer be available and will be removed from our product range.

ISO-900-Z

INSULATION SOCKET ADAPTER

EFFECTIVE DATE OF OBSOLESCENCE

May 1, 2014

REASON OF OBSOLESCENCE

The adapter has been used as an extension of the insulating socket ISO-900-N to a 7.5 mm pitch or 10 mm pitch (for preventing incorrect connections). For this purpose we have now designed the new insulation sockets ISO-900-N-7.5 and ISO-900-NZ to meet the identical function.

Parts that are now obsolete:

TYPE	PART NUMBER
ISO-900-Z	15.838.105

STOCK

The stock at the main storage in Hanau has been depleted. No further deliveries will be possible.

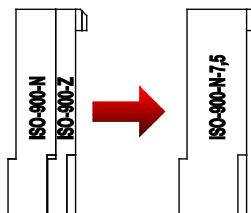

REPLACEMENT

For the 7.5 mm pitch, we now offer the insulation socket ISO-900-N-7,5. The use of this part brings a greater stability with fewer items.

ISO-900-N-7,5

INSULATION SOCKET ADAPTER
WECO part number: 10.838.105

Sales:

WECO Sales
Phone: +49 6181 / 105-142
Fax: +49 6181 / 105-720
vertrieb@wecogroup.de

Date:

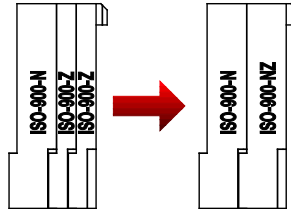

Hanau, February 27, 2014

For the 10 mm pitch, we now have instead of two ISO-900-Z, the intermediate piece ISO-900-NZ. This has, at the bottom of the plug-in area an intermediate rib, creating a connection error is thus reliably prevented in this variant.

ISO-900-NZ
INSULATION SOCKET ADAPTER
WECO part number: 10.838.103
